3 DAYS OF *Family Bonding*

Looking for a family getaway and want to avoid airport parking, plane tickets and frustrating security lines? No problem. Just toss a few things in a bag, pack the family in the car and head toward the beautiful, rolling Texas Hill Country.

➡ **START OFF WITH NATURE**

After you've played your fair share of car games on the ride in, you'll probably be eager for some outdoor fun. Climb aboard the Vanishing Texas River Cruise for spectacular views of Lake Buchanan, the Colorado River, native Texas wildlife, waterfalls, world-class bird watching and wintering Bald Eagles.

➡ **WATCH WILDLIFE**

Haven't quite had your fill of wildlife? Head to the Exotic Zoo and Resort in Johnson City to see 80 species of animals from around the world. Take the 45-minute guided tour and never get tired of hearing, "Mom, what's that?"

➡ **LEAVE THE LAND FOR A COOL DIP**

If there's one thing kids love, it's swimming. (Ok, adults too.) Lake Marble Falls, Lake LBJ and Inks Lake are ideal for kayaking, fishing and cliff diving at Chicken Rock, for the daredevils in your family.

➡ **CONTINUE YOUR DREAM OF BEING A TRAIN CONDUCTOR**

When was the last time you were on a train? Been that long? Grab the family and hitch a ride on the Hill Country Flyer, one of the country's few remaining old-fashioned steam trains.
